Prior to the effective date of the tax levy approved as herein provided, the governing authorities shall furnish to the Chairman of the Department of Revenue a certified copy of the resolution evidencing such tax levy.

(b) If the tax levied under this chapter was imposed without a vote of the electorate, the governing authorities shall, within sixty (60) days after the effective date of Senate Bill No. 2954, 2014 Regular Session, by resolution spread upon its minutes, declare the intention of the governing authorities to continue imposing the tax and describe the tax levy including the tax rate, annual revenue collections and the purposes for which the proceeds are used. If, on or before the date specified in the resolution for filing a written protest, which date shall be not less than forty-five (45) days and not more than sixty (60) days after the governing authorities adopt the

resolution, twenty percent (20%) or one thousand five hundred (1,500), whichever is less, of the qualified electors of the municipality file a written protest against the imposition of the tax, then an election upon the levy and assessment of the tax shall be called and held as in the manner provided for in paragraph (a) of this subsection, with the election to be conducted at the next special election day as such is defined by Section 23-15-833, Mississippi Code of 1972, occurring more than sixty (60) days after the date specified in the resolution for filing a written protest. If the requisite number of qualified electors vote against the imposition of the tax, the tax shall cease to be imposed on the first day of the month following certification of the election results by the election commissioners of the municipality to the governing authorities. The governing authorities shall notify the Department of Revenue of the date of the discontinuance of the tax and shall publish sufficient notice thereof in a newspaper published or having a general circulation in the municipality. If no protest is filed, then the governing authorities shall state that fact in their minutes and may continue the levy and assessment of the tax.

This paragraph (b) shall not apply if the revenue from the tax authorized by this chapter has been contractually pledged for the payment of debt incurred prior to the effective date of Senate Bill No. 2954, 2014 Regular Session, until such time as the debt is satisfied. Once the debt has been satisfied, the governing

authorities shall, within sixty (60) days, adopt a resolution declaring the intention of the governing authorities to continue the tax which shall initiate the procedure described in paragraph (a) of this subsection.

(4) Persons liable for the taxes imposed under this section shall add the amount of tax to the sales price, and in addition thereto shall collect, insofar as practicable, the amount of tax due by them from the person receiving the services or goods at the time of payment therefor.

(5) All such taxes shall be collected by and paid to the Department of Revenue on a form prescribed by the Department of Revenue, in the same manner that state sales taxes are computed, collected and paid; and the full enforcement provisions and all other provisions of Chapter 65, Title 27, Mississippi Code of 1972, shall apply as necessary to the implementation and administration of this act.

(6) The proceeds of such taxes less three percent (3%) to be retained by the Department of Revenue to defray the costs of collection shall be paid to the Greenwood Tourism Commission on or before the fifteenth day of the month following the month in which collected. The proceeds of the taxes shall be dedicated solely for the purpose of carrying out programs and activities which are designated by the Greenwood Tourism Commission and which are designed to attract conventions and tourists in the city. The proceeds of the taxes shall not be considered by the governing

authorities as general fund revenues but shall be paid directly to the Greenwood Tourism Commission.

(7) No proceeds of the tax authorized by this act shall be utilized by the commission to renovate, repair or make any construction to the building, which is commonly referred to as the "Russell Building," that is located at 505 Fulton Street, Greenwood, Mississippi.

(8) In addition to the use of the proceeds of the tax by the commission as authorized by this act, the commission shall annually donate no less than Two Thousand Dollars (\$2,000.00) to the Thompson Clemons Post 200 American Legion for the promotion of tourism. The donation authorized in this subsection shall not in any manner prohibit the commission from granting additional funds to the Thompson Clemons Post 200 American Legion if the legion submits an application to the commission for any grants.

(9) In addition to the use of the proceeds of the tax by the commission as authorized by this act, the commission shall annually donate no less than Five Thousand Dollars (\$5,000.00) to R & M Productions, located at 503 Ione Street, Greenwood, Mississippi, for the promotion of tourism. The donation authorized in this subsection shall not in any manner prohibit the commission from granting additional funds to R & M Productions if R & M Productions submits an application to the commission for any grants.

(10) Before the expenditure of funds herein prescribed, a budget reflecting the anticipated receipts and expenditures shall be approved by the governing authorities. The first budget of receipts and expenditures shall cover the period beginning with the effective date of the taxes and ending with the end of the city's fiscal year, and, thereafter, the budget shall be on the same fiscal basis as the budget of the city.

(11) The books of the commission shall be audited annually by an independent certified public accountant, and the accountant shall make a written report of his audit to the commission which shall thereupon submit a copy of the report to the governing authorities. The audit shall be made and completed as soon as practicable after the close of the city's fiscal year, and copies of the report of the audit shall be filed with the city clerk's office within fifteen (15) days after receipt thereof by the commission.

Section 6. This act shall be repealed from and after September 30, * * * 2017.
